

- Color-coded tools can be distinguished at a glance
- Superior rust protection finish
- Sizes are stamped on the tool
- Ball End inserts into screw at a 25° angle
- Extra long length available

BONDHUS
LIFETIME WARRANTY
 If any Bondhus® tool breaks or fails to meet your expectations in any way, simply return it. We will replace it free of charge.

Bondhus Ball End tools feature unrivaled precision machining

All Bondhus Ball End tools feature a precise 25° working angle

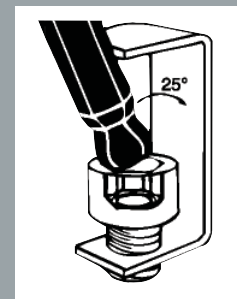

High Torque Steel:

Up to 20% stronger, with more torque and twice the wear resistance of standard grades of steel.

Color-coded protective finish:

Durable color-coded finish for superior protection and easy tool identification.

25° working angle allows tool to work in hard to reach places
