Folding Tool Sets in Virtually Indestructible Handle

Bondhus Corporation announces it is expanding its' line of popular folding tool sets. Trademarked as "GorillaGrip®" Folding Tool Sets, their patented handles are manufactured from a space-age polymer that makes them up to 40% stronger than steel handles and virtually indestructible. GorillaGrip® Folding Tool Sets are available in a wide range of inch, metric and star set combinations covering sizes from .050"-3/8", 1.5mm-10mm and T6-T40.

The folding tools are made from Bondhus' exclusive Protanium® steel which makes each tool up to 20% stronger than competitor tools. All GorillaGrip® Folding Tool Sets carry the Bondhus lifetime warranty and feature Bondhus' proprietary ProGuard™ finish, which offers five times more corrosion protection when compared to competitor finishes.

Bondhus Corporation manufactures and distributes innovative, high quality, time saving tools for use in electronics, automotive, hobby, and machine tool industries.

For more information on other innovative tools, visit our website at **www.bondhus.com**
