Bondhus Expands Line Of Gold/Silver Tools

Bondhus Corporation has added to its' extensive line of gold and BriteGuard™ (silver) plated tools. A full range of inch, metric and star tools is now available in a real 14K gold plated finish, or Bondhus' exclusive BriteGuard™ (silver) plated finish. A silver inch set and a gold metric set make up a very popular double pack, that makes it simple for end users to visually identify inch from metric tools when in use. All Bondhus tools are made from Bondhus' exclusive Protanium® steel which makes them up to 20% stronger than competitor tools, and carry the Bondhus lifetime warranty.

Bondhus Corporation manufactures and distributes high quality, time saving tools for use in electronics, automotive, hobby, and machine tool industries.
