German Quality Screwdrivers

Bondhus Corporation, through its' German marketing partner - **FELO**, introduces a complete line of the highest quality screwdrivers. Each screwdriver blade is machined to exacting German standards and then a handle is molded on using a proprietary two component process. This combination ensures a tool with fantastic performance that lasts virtually forever.

FELO is a world leader in the development and manufacture of high quality tools with interchangeable bits and blades. These **FELO** products can be ordered from Bondhus distributors all across the USA. For a listing of stocking distributors near you, visit the Bondhus web site at www.bondhus.com.

Bondhus Corporation manufactures and distributes high quality, time saving tools for use in electronics, automotive, hobby, and machine tool industries.

For information on other innovative tools, visit our web site at www.bondhus.com
Bondhus Corporation, 1400 East Broadway, P.O. Box 660, Monticello, MN 55362
