### **HAWG BUDDY AND CYCLE BUDDY COMPACT FOLDING TOOL SETS FOR MOTORCYCLES**

Bondhus Corporation announces the introduction of its' new, Hawg Buddy and Cycle Buddy folding tool sets for on-the-road servicing of most models of motorcycles. The Hawg Buddy was developed specifically for Harley Davidson motorcycles and contains the tools needed to make all common adjustments and minor repairs. The Hawg Buddy tools are finished with a shiny chrome plating. The Cycle Buddy contains metric tools that will complete most adjustments and minor repairs to motorcycles that have metric screws. The Cycle Buddy tools are finished with a shiny 14K gold plating. All tools are made with Bondhus' exclusive Protanium® steel, which is up to 20% stronger than competitors' tools.

Bondhus Corporation manufactures and distributes high quality, time saving tools for use in electronics, automotive, hobby, and machine tool industries.

For information on other innovative tools, visit our web site at [www.bondhus.com](http://www.bondhus.com)
